

## TOP OF THE SPOTS

Nihu Sumba Island, in Indonesia, is being hailed as the new Bali. Less than an hour's flight from Bali's capital Denpasar, this untouched paradise offers an Africa-meets-Asia experience. Think fishing, surfing, spa safaris, paddleboarding and bareback horse riding – not to mention panoramic views of the Indian Ocean. And *Travel + Leisure* voted the island's resort the 2016 and 2017 No 1 Hotel in the World.

## THE PERFECT COMPANION

# Travel WHAT'S NEW

BY MONIQUE MCKENZIE

## Making scents

Kiwi aromatherapist Annie Prince has created a fragrant cure for travel sickness. Her Travel Stick contains a bespoke mix of organic and wild crafted oils including frankincense, lemon, myrtle and niaouli to help fight nausea. Available at [annieprincearomatherapy.co.nz](http://annieprincearomatherapy.co.nz).

## Keep calm and carry on

A comfort companion for any journey, Ashley & Co's convenient Carry All travel minis come in a handy pack with the distinct stylish, black packaging we all know and love. Refresh, tone, cleanse and hydrate with the kit, which contains Lip Punch, Wash Locks, Soft Locks, Washup, and Soothe Tube. All under 30ml, the products are natural formulations and use 100% Ecocert approved natural perfume.

British Airways is giving its economy class service an upgrade. An expanded menu includes Magnum ice creams, bottled water and a snack to keep for later in the flight. And an NZD \$8.6 billion investment over the next five years will see quality Wi-Fi and power in every seat, plus they'll be fitting 128 long-haul aircraft with new interiors.
